

FIRE SAFETY

In the Event of a Fire or Smoke emergency, Remember the acronyms R.A.C.E. and P.A.S.S.

Rescue – Help those in immediate danger
Alarm – Activate nearest pull station, and call Fire Department and Safety Personnel

Contain – Close doors to fire area and clear equipment

Extinguish – Get fire extinguisher
NOTE: If using an extinguisher is not applicable, the **E** is for **ESCAPE** as in get out!!

Fire Extinguisher Use

PULL the pin

AIM the nozzle

SQUEEZE the trigger

SWEEP from side to side at the base of the fire

Supervisors and Managers need to create a location for employees to meet to take accountability and provide information to Fire and Safety Personnel. This information should be provided to all personnel and refreshed at least annually.
