

# Everyone's **SAFER** When We Work **TOGETHER**

No matter what your job, you have an important role to play in your company's safety culture.

## 4 SIGNS of a THRIVING SAFETY CULTURE

1. A workforce that's engaged and committed
2. Employees who are empowered to identify and eliminate safety concerns
3. Supervisors who listen to and investigate employee concerns
4. Management that insists on long-term solutions not quick fixes
